

## Camp Philosophy:

To establish a fun, positive, encouraging, and competitive atmosphere where your child will improve his or her basketball skills and participate in a competitive form of play.

Summer is a great time to improve your skills, further your basketball knowledge and compete in team play. Together, we build character, promote sportsmanship, positive attitudes, and focus on high quality fundamental basketball.

The Stampede Basketball Camp staff is very passionate about teaching basketball, sportsmanship, and running a basketball camp that focuses on skill development. The staff consists of former college players, current college coaches, current high school, and junior high basketball coaches who love to teach the game of basketball.

“Our staff takes a personal interest in each camper to help them improve their game, reach their goals, and enjoy their time with us. Each camper will leave with the knowledge it takes to continuously improve their game.”

- Stampede Basketball Camp Staff

### **Are you interested or committed?**

“There is a difference between interest and commitment. When you’re interested in doing something, you do it when it is convenient. When you’re committed to something, you accept no excuses, only results.”

-Ken Blanchard

## What People Say About Our Camp:

“Your staff is obviously incredibly adequate and it was the best camp we have done for a sport for sure. Jake had a wonderful time and was exhausted each day. He loved having the freedom to visit the snack bar and buy lunch each day, which I know is a big undertaking for you all. Everyone was super friendly and seemed thrilled to be there.” -Sandy Hill

“Thank you so much for the great camp experience that you provided this summer. I love the positive way your team interacts with the kids and I LOVE that you talked to the kids about being “energy givers”. In a world of yelling, negative coaching, it is refreshing to see the amazing results that a positive coaching style and atmosphere can achieve. This was Aiden’s second year at your camp and we will definitely be back next year.” -Tami Gilbert

“This was the most positive coaching staff that my daughter has ever been around at a camp. They made each day so much fun that my daughter could not wait to go back each day. We love how she learned about basketball, life lessons, sportsmanship and character all at one camp. I recommended this camp to all of her friends. Thank you Coach -Anonymous
