Gary Joseph and his staff offer a Football Camp with over a combined two hundred fifty years of successful coaching experience. Coach Joseph and his camp staff have helped develop athletes into champions year in and year out through out the state of Texas.

This staff has long maintained its desire to get solid information and instruction on fundamentals to the young children in the community regardless of where they will be attending school.

15th annual Home of Champions Football Camp will provide instruction on the fundamentals of football that have made it possible for many Katy area athletes to participate in many high school playoff games, multiple state championship appearances and several state championships. The session will be 2 hours in length, position specific, and action packed. It will also include character building mini tasks daily.

The release form below and information must be filled out and signed before your child may attend Home of Champions Football Camp.

I will NOT hold KATY ISD / Home of Champions or any of its employees nor any one involved with this liable for any injuries sustained during the assigned camp time nor/or while may child is on the campus of Katy HS. I also give permission for the staff of this camp to preform any needed medical treatment as they determine appropriate to preform on the child in event of an emergency or injury.
